SENATOR DWORAK: Mr. President, I move the adoption of the Enrollment and Review amendments to LB 474.

PRESIDENT: Any discussion of the motion. Senator Koch.

SENATOR KOCH: Mr. President and members of the body, is it proper to discuss these amendments right now?

PRESIDENT: He is moving the adoption of the amendments.

SENATOR KOCH: Could the Clerk read the amendments, please, for me.

CLERK: It is the E & R amendment. It is set out on Page 819 of the Journal. It is as follows: Read.

SENATOR KOCH: Mr. President and members of the body, when 474 first came on the horizon in this board, I had some feeling for the bill. However, the way it is presently being amended where it drops down into the subdivisions of the state level and proposes to purchase all their automobiles for them in an attempt to rationally use energy, I believe that the local subdivisions of government are perfectly capable of purchasing their own automobiles for the needs which they are designed to serve. Therefore, I rise to oppose such an amendment as this to include the subdivisions of government other than the state government as it was originally intended.

PRESIDENT: The chair recognizes Senator Dworak.

SENATOR DWORAK: I call for the question on the E & R amendment.

PRESIDENT: The question is the adoption of the E & R amendments to LB 474. Record your vote. No, this is on a voice vote. All those in favor say aye. Contrary nay. The ayes have it. The amendment is passed.
